

Conservation Volunteer Event

Come volunteer for...

KLEAN BY KAYAK

Get out of the city and see some of the beautiful scenery of the province, all the while doing valuable conservation work!

Join the **Nature Conservancy of Canada (NCC)** staff and volunteers on a scenic paddle around Boughton Island while we pick up marine garbage along the island beaches. Bring your binoculars to observe some amazing birds! You must supply your own kayak and gear.

Sunday, 10 July, 2011

Boughton Island, PEI

(Launch from Launching Point, near Cardigan)

To register or for more information, visit: www.conservationvolunteers.ca
or call Annie at the NCC Office: 1-877-231-4400

The Nature Conservancy of Canada (NCC) is Canada's leading non-profit land conservation organization. For almost 50 years, NCC has been protecting ecologically significant land across Canada. To date, this includes more than 2 million acres nation-wide. NCC has helped secure over 4200 acres in PEI.
